Steps to Request Account and Data Deletion

To request the deletion of your account and associated data, please follow these steps:

1. Send an email to **service@smartstack-solutions.com** with the subject line: **"Account Deletion Request"**.
2. Include the following details in your email:
    - Your account email address.
    - Any other identifying information (e.g., account ID or username) to help us verify your identity.

Types of Data Deleted

Upon request, we will delete the following data:

- Account details (e.g., username, email address).
- Entries in the app.
- Notifications and associated data.

Deletion Timeline

We will process your request and delete your data within **30 days** of receiving a verified request.

Verification Process

To protect your privacy and ensure the security of your data, we will verify your identity before processing the deletion request. Verification may involve:

- Matching your request details with the account information on file.
- Sending a confirmation email to the account's registered email address.

Confirmation of Data Deletion

Once your request has been processed and your data has been deleted, you will receive a confirmation email at the email address provided in your request.
